Circular 2025/015: Daily float cap for mobile money agents

Ref: 2025/015
Date: 2025-04-14
Subject: Daily float cap for mobile money agents

To: Agent Network Managers
From: Head of Branch Operations

This circular replaces Circular 2024/010. From 1 May 2025 the daily float cap for each mobile money agent is UGX 30,000,000. The cap was raised because agents in trading towns were turning customers away on market days.

Agents above UGX 30,000,000 of float in a day are monitored weekly under the Anti-Money-Laundering Policy. Agent Network Managers report agents who exceed the cap to Branch Operations.
