Dear Ms Kisakye,

DECISION ON CLAIM CL-2026-0503

We have reviewed your claim of UGX 10,250,000. We regret that we cannot pay it, because the policy had lapsed on 30 June 2026 because the premium was not paid within the 30 days grace period. This decision follows the terms of your policy and the Claims Handling SOP.

If you disagree you may write to the Head of Customer Service within 30 days. If we have not settled your complaint after 30 days you may take the matter to the insurance regulator.

Yours faithfully,
Senior Claims Officer
Kitara Assurance
