Dear Mr Rukundo,

DECISION ON CLAIM CL-2026-0641

We have reviewed your claim of UGX 13,800,000. We regret that we cannot pay it, because the driver did not hold a valid driving permit at the time of the accident, which is excluded under the policy. This decision follows the terms of your policy and the Claims Handling SOP.

If you disagree you may write to the Head of Customer Service within 30 days. If we have not settled your complaint after 30 days you may take the matter to the insurance regulator.

Yours faithfully,
Senior Claims Officer
