Dear Sir or Madam,

COMPLAINT: DOUBLE DEDUCTION ON MY MOBILE WALLET, REF CL-2026-0789

On 19 August 2026 I sent UGX 3,130,000 from my Kitara Mobile Wallet to pay a school bill. The money was deducted twice from my wallet but the school received it once. The agent at Bugolobi told me the message was sent two times by the system and that I should wait. I have waited for two weeks.

Please refund UGX 3,130,000. My wallet number is +256 700 021 819 and my customer number is KT-6140452. My national identity number is KX004955240099.

Yours faithfully,
Winnie Atim
