Dear Sir or Madam,

COMPLAINT: DOUBLE DEDUCTION ON MY MOBILE WALLET, REF CL-2026-0727

On 2 June 2026 I sent UGX 2,640,000 from my Kitara Mobile Wallet to pay a school bill. The money was deducted twice from my wallet but the school received it once. The agent at Iganga told me the message was sent two times by the system and that I should wait. I have waited for two weeks.

Please refund UGX 2,640,000. My wallet number is +256 700 041 610 and my customer number is KT-2063460. My national identity number is KX852526758128.

Yours faithfully,
Odhiambo Wafula
