14 February 2026

The Branch Manager
Kitara Bank, Nansana Branch

Dear Sir or Madam,

COMPLAINT ABOUT MY LOAN STATEMENT, REF CL-2026-0589

I took a business loan of UGX 74,300,000 on 14 February 2026. My statement shows a balance of UGX 74,900,000 even though I have paid every instalment on time and I attach the receipts. I think interest has been charged twice in one month.

My customer number is KT-8132065 and my national identity number is KX725045495716. Please correct the statement and write to me. My phone is +256 700 052 628.

Yours faithfully,
Martin Namatovu
