The Head of Customer Service
Kitara Assurance, Kampala

Dear Sir or Madam,

COMPLAINT ABOUT DELAY IN MY CLAIM CL-2026-0483

I submitted my motor claim on 16 March 2026 and sent the last document one month later. Nobody has called me since, and my Honda Fit is still at the garage, which now charges me UGX 20,000 a day for parking. The garage estimate is UGX 21,300,000.

My customer number is KT-3902151. Your charter promises to settle claims within 30 days. Please tell me when I will be paid. My phone is +256 700 071 662.

Yours faithfully,
Mutua Kabuye
