The Head of Customer Service
Kitara Assurance, Kampala

Dear Sir or Madam,

COMPLAINT ABOUT DELAY IN MY CLAIM CL-2026-0379

I submitted my motor claim on 3 June 2026 and sent the last document one month later. Nobody has called me since, and my Mazda Demio is still at the garage, which now charges me UGX 20,000 a day for parking. The garage estimate is UGX 27,350,000.

My customer number is KT-1092320. Your charter promises to settle claims within 30 days. Please tell me when I will be paid. My phone is +256 700 097 370.

Yours faithfully,
Eunice Waiswa
