Executive Committee: Minutes Extract, 7 July 2026

Executive Committee. Extract of the minutes of 7 July 2026.

Item 1: Results for the second quarter

The Committee noted a claims ratio of 58 percent for Kitara Assurance, against a budget of 55 percent. Mobile wallet users grew to 412,000. Cost to income ratio for the Bank was 61 percent.

Item 3: Staff survey

The staff survey showed that staff cannot find the current version of policies. 63 percent of respondents said they had once used an old policy by mistake.

Item 4: Data and AI

The Committee agreed that a readiness assessment for AI use cases will be done before any AI project is funded.
