Fraud Response Plan

Reporting

Any suspected fraud is reported to the Head of Risk within 24 hours. Staff do not confront the person or open an investigation themselves.

The Special Investigations Unit

The Special Investigations Unit (SIU) decides whether to investigate. It secures the evidence, including email, system logs and CCTV, before the person suspected is told.

Loss and recovery

Losses above UGX 10,000,000 are reported to the Audit Committee. The SIU recommends whether to report to the police and to the regulator. Recovery steps are agreed with Legal and Compliance.

Staff involved

A member of staff under investigation may be suspended on full pay. Access to systems is removed on the day of suspension.
