Reinsurance Programme Summary

Summary of the 2025 reinsurance programme. Confidential to Underwriting, Finance and the Executive Committee.

Motor and property

Kitara retains the first UGX 500,000,000 on any one risk. Losses above that are shared with the reinsurers under a surplus treaty, and Kitara keeps 40 percent of the surplus.

Catastrophe cover

A catastrophe excess of loss treaty covers UGX 8,000,000,000 above a retention of UGX 2,000,000,000 for a single event such as a flood affecting many policies.

Life

Life policies with a sum assured above UGX 300,000,000 are reinsured at 50 percent.

Reporting

Finance reports reinsurance recoveries to the Audit Committee every quarter. The treaty is renewed each year on 1 January.
