Kitara Group Staff Handbook 2025

This handbook applies to all employees of Kitara Bank, Kitara Assurance and the head office of Kitara Group from 1 July 2025. Kitara Kenya staff follow their local supplement where Kenyan law requires a different rule.

1. Working hours

Normal working hours are 8:00 am to 5:00 pm, Monday to Friday, with a one-hour lunch break. Branch staff also work a Saturday roster from 9:00 am to 1:00 pm and take a day off in lieu during the following week.

2. Probation

New permanent employees serve a probation period of three months. Probation may be extended once, in writing, by no more than three months. A manager who wants to extend probation must tell Human Resources before the end of the third month.

3. Annual leave

Staff earn 28 working days of annual leave in each leave year, which runs from 1 January to 31 December. Up to 10 days of unused leave may be carried forward until 31 March of the next year. Leave beyond that date lapses unless the Head of Human Resources agrees otherwise.

4. Other leave

Maternity leave is 60 working days on full pay. Paternity leave is seven working days. Sick leave is up to 45 working days in a year on full pay. A medical certificate is needed for any absence longer than two days.

5. Remote work

Staff in head office roles may work remotely for up to three days a week with the written approval of the line manager. Branch, teller and agent-support roles are not eligible. The Remote Work Policy sets out the equipment and security rules.

6. Expenses

A single expense claim above UGX 500,000 needs the written approval of the Head of Department before the cost is incurred. A receipt is needed for every claim above UGX 20,000. See the Expense Policy for daily limits.

7. Gifts and conflicts of interest

Gifts worth more than UGX 100,000 must be declared to Human Resources within seven days. Staff must declare any financial interest in a supplier or borrower.

8. Notice and medical cover

Staff give one month of notice. Managers give three months. The group medical scheme pays inpatient costs up to UGX 15,000,000 per person per year.

9. Grievances

A grievance is raised first with the line manager. If it is not settled within 14 days the staff member may write to the Head of Human Resources, who replies within 14 days.
