Home Insurance Product Guide

Kitara Assurance home insurance for houses, flats and household contents.

Covers

Fire, lightning, explosion, storm, flood, burglary and malicious damage to the building and the contents. Contents cover includes electronics, furniture and clothing.

Premium

The premium for buildings cover is 0.25 percent of the sum insured each year. Contents cover is 0.6 percent of the sum insured. The minimum premium is UGX 120,000 a year.

Sum insured

Insure the building for the cost of rebuilding it, not the market price of the land and house. Contents are insured for replacement value. Items worth more than UGX 3,000,000, such as jewellery, must be listed separately.

Waiting period

Cover for flood starts 14 days after the policy begins.

Exclusions

War, wear and tear, damage caused by pests, and loss when the house has been empty for more than 60 days.
