Kitara Mobile Wallet Guide

The Kitara Mobile Wallet lets you hold money on your phone, send it, pay bills and cash out at any Kitara agent.

Opening a wallet

Open a wallet at a branch or an agent with your national identity card, passport or driving permit. Your phone number must be registered in your own name.

Limits

The most you can hold in the wallet is UGX 10,000,000. The most you can send or withdraw in one day is UGX 5,000,000. Limits for new wallets in the first 30 days are half of these.

Fees

Sending to another Kitara wallet is free. Sending to your Kitara bank account is free. Cash out at an agent is charged by amount, as shown in the Tariff Schedule.

Lost phone or forgotten PIN

Call 0800 100 200 straight away and we will block the wallet. A PIN can be reset only at a branch, with your original identity card. Agents cannot reset a PIN.

Dormancy

A wallet with no customer transaction for 12 months is marked dormant.
