Savings Group Account Product Guide

The Kitara Savings Group Account is for village savings and credit groups, burial societies and cooperative groups.

Who can open one

A group of 10 to 30 members that has met regularly for at least three months. The group provides its constitution, the minutes of the meeting that elected the signatories, and the identity cards of the signatories.

Signatories

The account has three signatories. Any withdrawal needs two of the three signatories. The group chairperson cannot be the only signatory on a withdrawal.

Cost and interest

There is no monthly fee. The minimum opening balance is UGX 50,000. Interest is 6 percent a year, paid every six months at the end of June and December.

Share-out

The group may withdraw its whole balance for the annual share-out with five working days of notice, and without a fee.

Loans to members

Kitara does not lend to individual group members through this account. Members who want a loan apply separately.
