INSPECTION NOTE: MBARARA BRANCH
Date of visit: 22 August 2024
Inspector: Operations Auditor, Branch Operations

Findings
1. The vault log was not signed on three days in July (4, 11 and 26).
2. The fire extinguisher near the vault expired in May 2024.
3. Cash held by one teller reached UGX 19,500,000 on 15 August, above the limit of UGX 15,000,000.
4. Customer files for 14 closed accounts were found in an unlocked cupboard in the back office.
5. The branch complaints register was up to date.

Actions agreed
The Branch Manager will replace the extinguisher by 31 August, lock the cupboard and move the 14 files to the records room, and retrain all tellers on the cash limit by 15 September 2024.

Next visit: November 2024.
