Your study calendar

Starts Tuesday 8 December 2026. Ends with the parent showcase on Thursday 28 January 2027.

EVERY WEEK
Tuesday in person, two classes online
In person 9:00 am to 12:00 noon.
Online 10:00 to 11:30 am.

YOUR BUILD LOG
One saved thing every class
You show it, and keep it in your build log.

IN PERSON AT
The National ICT Innovation Hub, Nakawa
Bring your laptop and charger.

How it works

There are no tests and no marks. In every class you build something, save it, and show it. That is the whole course.

In person (Tuesday): three hours of hands-on building with me and a break in the middle. The first class is also in person, so we can set up your laptop together.

Online (the other days): about 90 minutes live on video with screen sharing, where we learn the idea and try it. After class you finish the build in your own time, about an hour, and send me a photo or your notebook before the next class. A class link is sent before each class. You need your laptop, internet and headphones.

Your project: think from day one about a topic you love, such as football, music or a shop you know. In week 4 you choose your question and in weeks 7 and 8 you build it and show your family.

Public holidays: no class

Friday 25 December, Saturday 26 December and Friday 1 January. None of your class days fall on these dates, so no class moves. Your last class is Thursday 28 January.

DATE	TIME	WHAT WE STUDY
Week 1 Meet the data	8 Dec to 10 Dec	Badge: First Look
Tue 8 Dec	**In person** 9:00 am to 12:00 noon	**DA01 Open a notebook and read your first table** **You build:** your first table, opened and read in a notebook
Wed 9 Dec	Online 10:00 to 11:30 am	**DA02 Values, names and types** **You build:** a note that shows the type of every value
Thu 10 Dec	Online 10:00 to 11:30 am	**DA03 Arithmetic, revenue and reading errors** **You build:** a revenue calculator that explains its errors
Week 2 Python you need	15 Dec to 17 Dec	Badge: Code Builder
Tue 15 Dec	**In person** 9:00 am to 12:00 noon	**DA04 Conditions and decisions** **You build:** a rule that treats big orders differently
Wed 16 Dec	Online 10:00 to 11:30 am	**DA05 Lists, dictionaries and loops** **You build:** a loop that totals a whole week of sales
Thu 17 Dec	Online 10:00 to 11:30 am	**DA06 Functions and checks that fail loudly** **You build:** a function that checks its own answers
Week 3 Tables in pandas	22 Dec to 24 Dec	Badge: Table Tamer
Tue 22 Dec	**In person** 9:00 am to 12:00 noon	**DA07 A table in Python: DataFrame, columns and reading a CSV** **You build:** a real table loaded from a CSV file
Wed 23 Dec	Online 10:00 to 11:30 am	**DA08 Select, filter and calculate a revenue column** **You build:** a revenue column, filtered to the sales you ask for
Thu 24 Dec	Online 10:00 to 11:30 am	**DA09 Sort, group, mean and median** **You build:** a summary of the best seller and the typical sale
Week 4 Clean and chart	29 Dec to 31 Dec	Badge: Clean and Chart

DATE	TIME	WHAT WE STUDY
Tue 29 Dec	**In person** 9:00 am to 12:00 noon	**DA10 Cleaning without hiding evidence** **You build:** a clean table with a log of every fix
Wed 30 Dec	Online 10:00 to 11:30 am	**DA11 Charts that say what the numbers say** **You build:** two charts that make one clear point
Thu 31 Dec	Online 10:00 to 11:30 am	**DA12 Show your first chart and explain what it says** **You build:** a first report: a table, a chart and honest sentences
Week 5 Explore with NumPy and seaborn	5 Jan to 7 Jan	Badge: Pattern Spotter
Tue 5 Jan	**In person** 9:00 am to 12:00 noon	**DA13 NumPy: the numbers underneath pandas** **You build:** a NumPy check that agrees with pandas
Wed 6 Jan	Online 10:00 to 11:30 am	**DA14 Exploring distributions with seaborn** **You build:** a chart that shows how sales are spread
Thu 7 Jan	Online 10:00 to 11:30 am	**DA15 Exploring relationships: scatter plots, correlation and cause** **You build:** a heatmap, and an honest answer about rain
Week 6 Messy data and two tables	12 Jan to 14 Jan	Badge: Truth Finder
Tue 12 Jan	**In person** 9:00 am to 12:00 noon	**DA16 Cleaning the raw export** **You build:** a cleaned export you can rerun next month
Wed 13 Jan	Online 10:00 to 11:30 am	**DA17 Merging two tables and the fan-out trap** **You build:** a merged table with its row count checked
Thu 14 Jan	Online 10:00 to 11:30 am	**DA18 Does your total match the true total? Clean, merge and reconcile** **You build:** a total that matches the true total
Week 7 Show it	19 Jan to 21 Jan	Badge: Project Builder
Tue 19 Jan	**In person** 9:00 am to 12:00 noon	**DA19 Project question and a safe plan** **You build:** your project question and plan
Wed 20 Jan	Online 10:00 to 11:30 am	**DA20 Build a reliable analysis** **You build:** a reliable analysis, checked two ways
Thu 21 Jan	Online 10:00 to 11:30 am	**DA21 Build and check the chart report** **You build:** a chart report people can read alone
Week 8 Hand over	26 Jan to 28 Jan	Badge: Showcase
Tue 26 Jan	**In person** 9:00 am to 12:00 noon	**DA22 Report and handover** **You build:** a report and a handover folder
Wed 27 Jan	Online 10:00 to 11:30 am	**DA23 Explain it to a parent** **You build:** a three-minute talk about what you built
Thu 28 Jan	**In person** 9:00 am to 12:00 noon	**DA24 Parent showcase and next steps** **You build:** showcase day: you show your family what you made

Dates assume classes start as planned. If a class is missed, we will agree a catch-up time. Questions: +256 750 990 718 | jothammartin.wambi@gmail.com
